

## ANSTEY JUNIOR SCHOOL

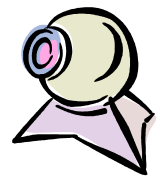

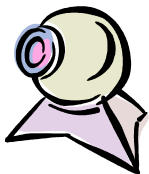

PLEASE HELP RAISE FUNDS TO IMPROVE TECHNOLOGY ACROSS THE CURRICULUM!!

We are launching a project to improve technology across the curriculum at Anstey. This will involve providing ...

- Enough computers for two classes at a time
- Webcams
- Digital Microscopes
- Digital Micro cameras
- Digital Camcorder

We want to move ahead with technology to ensure that children at Anstey have the best opportunities available. We want to maintain our 'Outstanding Curriculum' (Ofsted November 2008) by keeping-up with the latest technology in education!

This year the PTA is working hard to raise £3000 towards this £10000 project.

How can you help?

Enclosed in this envelope are 5 books of raffle tickets for our Christmas Raffle. We would be very grateful if you would try to sell these to raise funds towards our school technology project. The draw will take place in the school hall after the children's Christmas disco on Thursday 17th December.

Please return any money/stubs by Friday 11<sup>th</sup> December

Thank you for your support.

Anstey Junior School P.T.A.
