**Action Plan for Risk Assessment**

Action Plan to be completed based on the findings of the risk assessment. The following actions are to be undertaken to reduce the risk level as far as reasonably practical and to ensure that all of the standard controls and local arrangements are in place.

| No | Hazard not fully controlled | Performance Status | Action required | Person Responsible | Target Date | Date of Completion |
|----|-----------------------------|--------------------|-----------------|--------------------|-------------|--------------------|
|    |                             | High               |                 |                    |             |                    |
|    |                             | Medium             |                 |                    |             |                    |
|    |                             | Low                |                 |                    |             |                    |
| 1. |                             |                    |                 |                    |             |                    |
| 2. |                             |                    |                 |                    |             |                    |
| 3. |                             |                    |                 |                    |             |                    |
