Year 3

Experience: Paul Ullson will be visiting us to give us an immersive, drama-based workshop on the Romans!

English:

We will be exploring technology this term, using our creativity to design our own robot pets and writing an explanation text to explain how they work.

We wil be reading a classic story, Charlotte's Web, which we will use as inspiration for writing our own diary entries, focusing on emotive language and detailed descriptions.

We will continue to consolidate our spelling patterns in weekly spelling lessons.

Topic:

The Romans

Maths:

In measurement, we will be comparing, adding and subtracting measurements of length, mass and volume. We will also be adding and subtracting amounts of money. We will also be learning how to add and subtract 3-digit numbers mentally. In fractions, we will recognise and show, using diagrams, equivalent fractions with small denominators. Finally, we will be exploring angles in 2D shapes.

Art

In Art we will be exploring the work of Kandinsky, using a wide range of materials to create our own collages.

Science:

In Science, we will be learning about plants, focusing on what they need to grow and how they reproduce. We will collect flowers and dissect them, exploring the different parts and their functions. We will also plan and conduct investigations to find out whether all plants require the same amount of sunlight.

History:

In History, we will be exploring the Romans, looking at why the Romans invaded Britain and what made their invasion so successful. We will explore how the Romans impacted life in Britain at that time and we will be using art, drama and writing to demonstrate our learning!

Computing:

In computing we will be starting to use a programme called Purple Mash. We will be focusing on online safety, coding and data handling.

PE:

In PE, we will be developing the individual skills needed to play netball. We will also be completing our gymnastics unit, focusing on the importance of proper form.

Music:

We will be exploring music inspired by Ancient Rome, further developing our listening skills, comparing different music genres and even writing our own musical notation!

PSHE + RE:

We will be exploring what responsibilities we having living in the wider world. We will also be discussing the difference between rights and responsibilities.

French:

We be learning about some traditional tales in French. We will also be learning how to count from 11-20.

Outdoor Learning:

We will be learning about sustainability and how to make our school more eco-friendly.
