Dear Parents & Carers,

Residential Visit to Stubbington – Monday 2nd November to Friday 6th November 2026

It is not too long until we will be on our way to Stubbington Study Centre near Fareham for our Year 6 residential trip. Fingers crossed for good weather!

This letter is to give you some additional information about the trip and you will also find attached an educational visit medical and consent form that will need to be completed and returned to school **by Friday 2nd October.**

On the Day of the Trip

Please arrive at school for 9.00am and meet in the hall in order for any medicines to be handed over. The coach will be leaving at 9.30am and you are welcome to stay, if you can, to wave the children off. The children will be given lunch when we arrive at Stubbington, but you should provide your child with a water bottle and a nut-free snack for the journey.

Medicines

Please ensure that all medicines are clearly labelled, with full instructions, and then given to a member of staff on the morning of the coach journey. If your son or daughter needs an inhaler, please make sure that it is packed in their rucksack (not suitcase) so that it is taken onto the coach. If your child suffers from travel sickness, please make sure that they have taken their tablets prior to us setting off. If there has been illness in the family e.g. a sickness bug the weekend before, please could you let us know so that we can keep an extra eye on your son or daughter.

Pocket Money

There is a small tuck shop on site selling souvenirs and sweets. Children can bring up to £5 spending money in a sealed, named envelope (coins preferred). This can be handed to a member of staff on the morning of the trip.
